

### What's been happening this week

**FS 1**— This week in Nursery they went to the School Library for the first time. The children explored the books before they shared one as a class. They are all getting very excited about their trip next Thursday to Austerfield.

**FS2**— We invited Mr John Greaves from Maltby library to join us on Friday 4th March where he read us some 'Hen/chick books' linked to our Easter theme this term. We thoroughly enjoyed the 3 new stories he brought into read to us and we were very proud of how the children showed excellent listening and attention skills. Well done children. We are looking forward to our Easter Eggstravaganza 'Stay and Play' event next Thursday 17th March, and sharing in lots of fun activities. Can we please ask that all your breakfast menu's be completed and returned by Friday 11th March, as Mrs Murray will be shopping to buy the food we will need for our breakfasts on the 'Stay and Play' day.

**ML**— Class ML loved World Book Day. Everyone came dressed up as their favourite character from a book. They loved the 'reading breaks,' throughout the day where everyone read their favourite books.

**JW**— Class JW have begun the new power of reading book Beegu and are enjoying the story. We are looking at space and in particular the first man on the moon, Neil Armstrong in Apollo 11. Children are using different media to enhance their learning this includes video clips and programmes.

**JC**— Class JC have continued to work on the exciting topic of space. The Power of reading book; Beegu has been a fantastic stimulus for letter and postcard writing.

**CE**— Class CE have worked hard preparing the pieces they will be performing when we join classes GS and EW for our Easter recorder/music concert. We look forward to seeing you on Tues 15th at 2.30pm to share the results of their efforts.

**GS**— A few weeks ago the children in 3GS used their literacy and ICT skills to design and produce a menu for the Iron Man. The menus were so good that we handed them over to the head chef at Bank Coffee House and Bistro! We would like to say a special thank you to Mrs Humphreys for supporting us and for providing cupcakes to all of the class for taking part. The top three menus chosen were: 1st place-Charley Bannon, 2nd Karla Hitchens, joint 3rd Bradley Kitchen and Amber Humphreys. The winners are invited to have afternoon tea at Bank on Friday 1st April at 12pm. Well done everybody!

**EW**— Class EW have been working hard creating some lovely art and clay work for our Ancient Egyptians topic. Everyone has taken pride in what they have been creating. Next week they are getting a bit gruesome and looking at mummification!! Get ready for the blood and guts.

**LH**— Class LH had a great day at Swinton Community School "Making knexions!" It was the fourth of their taster days and the theme was DT this time. They were faced with the challenge of making a wind turbine out of knex. They were given marks for power and presentation. One of our groups came first for presentation. Children were excellent ambassadors for school. Well done we are looking forward to the next one!

**CG**— Class CG have been working hard preparing for their SATs. They have been working on fractions and have done some story writing based on War of the Worlds. They are hoping to become journalists so they can report on the events! We have been looking at the solar system - sun, moon and earth as well as some of the other 'out of this world' planets!
